**MESSAGE FROM ROBIN COURTNEY**

We donated over 12 pounds of pop tabs this year. A special thanks to some corvette club members who donated over 2 pounds and Barbara and Elmer Bakalla for contributing over 4 pounds of tabs!!!! That's a lot of soda!! We will

continue to collect pop tabs each year so remember to save those tabs and ask your friends to do the same!!

The money earned goes to a wonderful cause, the Ronald McDonald Houses in Central Florida. These houses allow parents of sick children to live there while their child is getting care, such as cancer treatments and surgeries.

Dear American's Boating Club,

Our theme this year at Imperial Estates is Choose joy, Create joy, and Spread joy. Well thanks for your support, you helped us create joy for the Ronald McDonald House Charities. Imperial Estates donated 333 pounds of pop tabs which means they will get \$186.48. This will help families stay at one of their houses for free while their loved one is being treated at an Orlando hospital. Thank you for continued support and let's keep making a difference so please start saving for next year. 😊

With sincere thanks,

Maria Huff

Imperial's pop tab coordinator.
